*Quincy Medical Center ([www.quincymc.org](http://www.quincymc.org)) is a 232-bed acute care community-teaching hospital providing South Shore residents with comprehensive medical and surgical services. The medical center's Alliance for Quality with Boston Medical Center (BMC), formed in 1999, brings academic medicine to the community. At Quincy Medical Center, physicians from Boston Medical Center direct the departments of medicine, surgery, anesthesia, emergency medicine, and psychiatry. Additionally, physicians from BMC who are board-certified in a range of medical and surgical specialties work with community physicians to ensure the continuity of patient care.*
